## Please select the route to proceed with this enquiry:

### ROUTE 1:

#### CASCADE TO THE BEST AVAILABLE PRODUCT AND REPORT ON THAT ONLY

In some cases we may need to approach more than one lender in order to secure your (your client's) loan. We always start with the lender that most closely matches your preferences and will give you the best deal possible. However, if that lender is not able to accommodate your circumstances, we will move to the next lender in line. This may mean that we need to share your (your client's) personal data with more than one lender. We will keep records of whomever we share information with so that we can request deletion where necessary.

Is your client happy for us to proceed on this basis? If so please select this route: ☐

### ROUTE 2:

#### REVIEW PRODUCTS LENDER BY LENDER, REPORT ONE AT A TIME

If you would prefer we can report back lender by lender until we have a lender that believes they can assist your client. We are very happy to take this approach but please note it will elongate the process.

If you prefer us to report lender by lender, please select this route: ☐

### ROUTE 3:

#### HIGH-LEVEL INDICATIVE TERMS ON LIKELY OPTIONS AVAILABLE

Would you like us to provide a quick overview of high-level indicative terms, without full client data being sent to any lender?

If you prefer us to provide indicative terms, please select this route: ☐

**Please be assured that we will not do any hard footprint credit searches that other institutions can view without express consent.**

**Please telephone our Data Controller on 01202 850 835 if you want to understand how your data will be used. You have a legal right to receive a copy of the information we hold about you.**

## Declaration and authorisation

In assessing the application, we will make enquiries about your client(s) including searching any records held by Credit Reference Agencies, Electronic Identity/Verification Systems and checking details with Fraud Prevention Agencies. If false or inaccurate information is provided and we suspect fraud we will record this. The Credit Reference and Fraud Prevention Agencies will keep details of any searches. Information held by the Credit Reference Agencies may already be linked to records relating to one or more of the financial associates.

For the purpose of this application your client(s) may be treated as financially linked and the application will be assessed with reference to any "associated" records. If it is a joint application or if you have told us of some other financial association with another person, you must be sure that you are entitled to (a) disclose information about any joint applicant and anyone referred to; and (b) authorise us to search, link or record information at Credit Reference Agencies. An association between joint applicants and between anyone you tell us is a financial partner will be created at Credit Reference Agencies. This will link financial records, each of which will be taken into account in all future applications. This will continue until a disassociation is successfully filed at the Credit Reference Agencies.

You confirm that your client(s) has/have given consent to us disclosing details of their application to Credit Reference Agencies, Fraud Prevention Agencies and our panel lenders. This information may be used to help us and other organisations to (a) assess the financial risk of dealing with them and other associates; (b) may be used to help make decisions on motor, household, credit, life and other insurance proposals and insurance claims; (c) administer agreements and insurance policies with them; (d) help prevent or detect fraud, prevent money laundering or other crimes, recover debts and trace debtors; and (e) for statistical analysis about credit, insurance and fraud.

The lender(s) we recommend may use "credit scoring" or other automated process in deciding whether to accept your client's application and during the life of their loan account. Lenders may use an initial soft search at the early stages of an enquiry, a full search on application and may recheck prior to or at completion.
